

Study In MAURITIUS

MAURITIUS

TYM:

Tirtha yatra Mauritius is orchestrating a series of visits from different parts of India to Mauritius, which commenced in April 2024. While many local tour operators focus on promoting Mauritius as a destination for the sun, sand, and the sea, our venture recognizes the profound inclination of elderly individuals in India towards visiting religious sites worldwide. You might be aware of many religious yatras that take place within India, but not in other countries. Mauritius, with its rich Hindu culture, stands as an ideal religious destination for memorable trip.

DAYANAND JOORUN:

Mr. Daya has registered consultancy services for various sectors in June 2020 in Mauritius. He has reach experience in education sector. He has served various top positions in different sectors till date. His expertise in the field of processing student visa for Mauritius will help students to complete all the required process with ease.
